**ORDER GRANTING IN PART AND DENYING IN PART PLAINTIFF'S

Plaintiff, Gentherm Canada, Ltd. (“Gentherm”), filed a motion to compel discovery on October 19, 2015. (DE 64 and 65.) Defendant IGB Automotive, Ltd. (“IGB”), filed its response on November 5, 2015 (DE 69) and Gentherm filed its reply on November 16, 2015 (DE 72 and 73). Judge Tarnow referred the motion to me on October 20, 2015. (DE 66.)

The matter came before me for a hearing on December 9, 2015. For the reasons stated on the record, Gentherm’s motion is **GRANTED IN PART AND DENIED IN PART**. IGB is accordingly **ORDERED** to comply with the following:

¹ Plaintiff filed both an unsealed (DE 64) and sealed (DE 65) version of its motion.

1. Answer and fully respond to Gentherm's Interrogatory Number 17 with respect to all of its seating comfort products, in addition to what has already been provided as to the accused products.
2. Provide a limited response to Gentherm's Interrogatory Number 17 with respect to its steering wheel comfort products. Specifically, IGB shall provide the annual percentage of sales increases/decreases of its steering wheel comfort products sold to Lear Corp. and GM from January 2011 through the present.

IT IS SO ORDERED.
